Section 1 – General Information

Name:	Surname:		
Email:	Phone:		
Faculty:			
Course Code:	Course Title:		
Semester during which your course will be offered, please select one: <input type="checkbox"/> Fall 2021 <input type="checkbox"/> Winter 2022 <input type="checkbox"/> Spring/Summer 2022 <input type="checkbox"/> Fall 2022			
Frequency of course offering, please select one: <input type="checkbox"/> Every year <input type="checkbox"/> Every second year <input type="checkbox"/> Other, specify:			
Approximate number of students typically registered in this course (0 if unknown):			
Have you previously received funding for this course? If so, please specify amount:			
Have you previously taught this course?	<input type="checkbox"/> Yes <input type="checkbox"/> No		

Section 2 – Course Characteristics

Goals: Describe the goal(s) for developing or revising the course. What is the **purpose** and the **learning outcomes**? (maximum 200 words).

What **innovative teaching pedagogy** will be incorporated to enhance student learning and how will you **evaluate the impact?** (maximum 200 words).

Section 3 – Support and Resources

Based on your application form, choose the two options that best describe the nature of your redesign efforts. The **Please select one option from each category below:**

- | | | | |
|------------|---|--|--|
| Category 1 | <input type="checkbox"/> - I will not use the Virtual Campus space for this project. | <input type="checkbox"/> - The Virtual Campus space will be used to develop a combination of new content pages with text, graphics, and videos and to leverage open educational resources to bolster my online content. | <input type="checkbox"/> - The Virtual Campus space will be used to develop new interactive exercises such as simulations or games and add advanced multi-media projects which will require animations and/or programming. |
| Category 2 | <input type="checkbox"/> - The majority of the design and development work will be done by the instructor with little outside help or by using free support and resources on campus (e.g. educational developers, library, and copyright office). | <input type="checkbox"/> - The majority of the design and development work will be done by a combination of the instructor, teaching assistant, and/or hired professional (e.g. graphic artist, videographer, instructional designer). | <input type="checkbox"/> - The majority of the advanced multi-media development work will be completed by a hired professionals (instructional designer, programmers, and/or an external company). |

Section 4 – Budget and Justification

Amount requested:

What is the timeframe for implementation?

Please describe how the funds will be used and provide a detailed list of expenses:

I confirm that I will be responsible for the design of the course described in this proposal.
